TO WHOM SO EVER IT MAY CONCERN

This is to certify that M/s. AMNYK INDIA, Mumbai ha supplied and installed MAXR100- Active Refrigerant Agent additive oil on our Dunham- Bush Make 240 TR, Chillers for reducing the energy consumption.

Chillers Details:

DUBAHAM – BUSH Make 240 TR, Model AFNX240- 5HRHR – 240 TR x 2 No's

The trials conducted between 31st January 2018 to 9<sup>th</sup> August 2018 and we observed the following 14.65 % of Avg. energy savings after installation of MAXR100.

240 TR, Chiller Sr. No 2B12000080	:	Avg. Energy Savings
&		14.65%
249 TR, Chiller Sr. No. 2B12000078		

We are quite happy with the savings and considering for installation of MAXR100 on our remaining HVAC equipments in the coming days.

We recommend MAXR100 to all HVAC users for reducing the energy consumption of their HVAC systems and energy costs.
